

Dear _____,

I am part of the Vista High School Regimental Band and Pageantry Corps. On Saturday, September 23rd, the Band is hosting a 8-hour Rehearse-a-thon, where all band members work hard to learn and practice music for the fall field show. I will be rehearsing from 8:00 AM to 8:00 PM on this day to perfect my music and drill so we can win a Gold Medal just like we have many times before!

You may not know this, but because of budget restrictions, our school district does not provide the funding that it takes to have our great music program. Rehearse-a-thon is a great opportunity for me to raise money for my own music-related expenses. To keep a program of this caliber, the cost per student is \$600. Please support my efforts to be part of this great band and consider sponsoring me for either a flat donation or as little as \$1 per hour.

As I demonstrate my commitment to excellence and quality, I hope you will be able to support my efforts. Please make your check out to Vista High School Band Boosters and turn it in by Rehearse-a-thon day on September 24th. Donations may also be tax deductible so talk to your tax professional.

Thank you very much in advance for your time and consideration.

Sincerely,
